

## Festive Greetings from ASK!

It's been a packed winter term at ASK with visits from local schools, fun with dragons and lots more!

## My Favourite Feature

During Evensong on a sunny evening the sun shines through the West window during the service and the colours are spread over the church, quite magical!

## School Visits

Year 4 from Corpus Christi School in New Malden visited us in October to re-enact the coronation of the first King of England in our Athelstan workshop. They had a brilliant time and said 'the workshops brought the Saxons to life for the children'.

Year 3 from St Agatha's Primary came for a guided tour and explored the church using our children's trail.

Park Hill School enjoyed Story Storks 'Athelstan' workshop and enjoyed all the singing and dancing involved!

## The Forgotten Christmas Elf

Story Storks will be delivering their first theatre show for children aged 2 to 7 years here at All Saints this Christmas. Meet Cracker Chimes, The Forgotten Christmas Elf who agrees to help a toy left in the Children's Library on Christmas Eve get home to his owner using the magic in the library which brings the books to life. Inspired by a true story that happened right here in Kingston this original story features lots of fairytale favourites. Tickets will be on sale via the Rose Theatre Website and performances are due to take place in the church every Monday in December, costing £9.50 per ticket (school discount available). ## Meet the Heritage Team

**Name:** Ann Cornick

**Role:** Children and Families Volunteer

**What is your favourite part of working at ASK?**

Watching children create wonderful Saxon shapes and Celtic jewellery during the Heritage Activity Days is a rewarding experience as a volunteer. Discovering windows and objects in the church as the children do the quiz sheets introduces me to items I have never ever noticed before.
