

**Name:** John

**Volunteer Role:** Head of Stewards

**What do the stewards do?**

I like doing it because I get to meet lots of really interesting people and also because I enjoy making them feel welcome and helping them to set up their event and to reinstate the church afterwards.

**Why did you become a steward?**

I joined the team because I'm really keen to help the church develop its role as a community resource, and because the range of events that take place in the church is absolutely fascinating.

**What is your favourite part of volunteering at ASK?**

I like doing it because I get to meet lots of really interesting people and also because I enjoy making them feel welcome and helping them to set up their event and to reinstate the church afterwards.
