2016 was a busy year at ASK, with lots of school visits, festivals and events. We also have a packed year coming up in 2017...!

What is your favourite part of working at ASK?

I love the research of ancient history. Being in this place there are a lot of intriguing historical facts waiting to be discovered. I find at ASK there are a lot of friendly people which create a very nice place to be.

Basic Beading Courses

In Spring 2017, ASK will be running beading courses. Participants will learn how to string a basic necklace to take home with them and how the history of the Anglo-Saxons kings that were crowned at All Saints can be seen through the jewellery and decorated antiquities of the period.

The next half day course runs from 10:15 – 13:30 on Thursday 16th March, with refreshments on arrival and a mid-morning hot drink and biscuit break. All beading resources and refreshments are included in the cost of the course.

The course is led by a U3A Group Leader and beading facilitator.

For more information or to book a place please email heritage@allsaintskingston.co.uk – There are limited spaces to ensure quality supervision.

Monthly Church Tours

Starting from 22nd April, ASK will be running monthly tours of All Saints, every 4th Saturday at 11am. The initial tours will be led by church historian David Robinson, with a team of new guides being trained up to take over from him this autumn. If you are interested in becoming a tour guide, email heritage@allsaintskingston.co.uk for more information. Full list of tour dates is on the website – www.allsaintskingston.co.uk.

My Favourite Feature

I really like the unusual monument to Anthony Benn. There is something nice and just a little bit spooky about him!
