### Sunday 26 February:

**Weatherland** by Alexandra Harris. Dr Harris's work investigates the relationships between art, literature and landscape, and seeks to illuminate the lives of writers and artists who

**shaped, and were shaped by, Britain's physical and cultural climates. In Weatherland she explores in art and literature the differing feelings that the elements have inspired over the centuries.**

If you are interested please come along with a copy of the book (and a sandwich if you want or buy something in the cafe). We welcome people who cannot come each month or who haven't finished the book! Books are available from Church Times bookshop (email: [bookshop@chbookshop.co.uk](mailto:bookshop@chbookshop.co.uk)) and further information is available on [www.churchtime.co.uk](http://www.churchtime.co.uk)
